ABOUT ME

Highly motivated and results-driven Junior Frontend Developer with almost two years of hands-on experience in developing highly optimized and responsive web applications. Possessing a strong passion for creating intuitive user interfaces and delivering exceptional user experiences. Proficient in utilizing cutting-edge technologies.

WORK EXPERIENCE

Front-end Developer
Gluetron [03/2023 – 08/2023]

Address: Remotely , (India)

- Successfully developed and maintained multiple front-end projects, showcasing strong technical skills and attention to detail.
- Collaborated effectively with Laravel back-end developers, ensuring seamless integration of front-end and back end functionalities
- Worked closely with UI/UX designers to translate their design concepts into visually appealing and user-friendly web applications

Front-end Developer
Freelancer [01/2021 – Current]

- Provided one-on-one tutoring and mentoring to aspiring frontend developers, imparting essential HTML, CSS, and JavaScript skills.
- Maintained clean, modular, and well-documented code.
- Successfully managed multiple projects, on time and on budget.

ICPC Contestant
[2019 – Current]

- Competed at the national level in the prestigious ICPC, demonstrating exceptional problem-solving skills and algorithmic prowess.
- Collaborated within a team under strict time constraints to solve complex coding challenges, showcasing the ability to work effectively in high-pressure, competitive environments.
